

FREE CEU Webinar

Thursday, July 15
5:30 - 7:30pm

TOPIC: END OF LIFE - CARING WITH COMFORT

Join us for a webinar on working with individuals and their families who are in need of end of life care support. This webinar will provide information on advanced directives, how to discuss and document and patient's wishes for their care.

As well as who will represent these wishes if/ when they are unable to. The webinar will also provide information on the differences between Palliative Care and Hospice, including the indications for each service and when is the right time to take advantage of them.

Speakers: Dr. Jemella Raymore, Interim Chief, Section of Palliative Medicine, Department of Medicine, Palliative Care Attending, Huntington Hospital, Northwell Health & Meghan Billia, FNP-BC
