

Aging at Home

Services for those with Dementia and their Caregivers

Tuesday, August 3 at 2:00 pm

*Presented by Melissa Katz, LCSW, Director of Caregiver Services,
LI Alzheimer's and Dementia Center and Katrina Zendrian,
Client Care Coordinator, Right at Home*

This program will discuss ways to prepare for the aging process. It will cover the programs and services available to those with Alzheimer's and dementia and their caregivers, to remain living at home for long and as safely as possible.

Discussion will include day programs, in-home respite, caregiver support services, and the difference between homecare and companion care.
